

JOB DESCRIPTION - APPRENTICE NURSERY NURSE

1. To create a warm and welcoming environment
2. An ability to use own initiative and share ideas and information
3. A willingness to learn skills in identifying and meeting the children's needs individually and within a group.
4. A willingness to learn skills in observation and recording.
5. Learn good knowledge of Early Years Foundation Stage framework and how to put the document into practise.
6. The ability to work within a team, maintaining positive relationships and developing productive teamwork.
7. Listen to advice/constructive criticism from peers/management and act upon it.
8. An awareness of Health and Safety within the nursery and ability to report any hazards for the purpose of risk assessments
9. Be supportive and diplomatic in your approach towards parents and children.
10. To have and show commitment to Tiny Tigers Nursery's equality policy
11. To attend Safeguarding Children training and become familiar with Tiny Tigers Nursery's Safeguarding Children policy and procedures
12. To attend occasional staff meetings outside of working hours (time for this will be compensated)
13. A willingness to continue with training to aid both the nursery and your own personal development
14. To be committed to completing relevant training.
